"God answers their prayers, because they trusted in Him." 1 Chronicles 5:20b

100% of monthly and outgoing needs met!

Dear Friends and Ministry Partners,

February 6, 2006

Yes, our prayers have been answered and I am nearly ready to leave for Italy. Bags are getting packed, plane ticket is on reserve and all funding has been received. **Thank you all for continuing support through prayers and finances!** I have such joy and I hope you celebrate with me in this blessing of God's provision.

There is still one more miracle needed before I can purchase the plane ticket to go: I still need a religious worker visa. The Italian Consulate is currently reviewing my application. This is the second attempt and I am praying for quick, smooth processing and approval this time. Please pray with me for this important need.

"We are therefore Christ's ambassadors, as though God were making his appeal through us." 2 Corinthians 5:20a

I am thankful for all of you who pray, give, and stay interested in what is happening in Italy. Thanks for helping me to become your ambassador to this country as we joyfully anticipate future growth for His Kingdom.

With much Joy, Hope and Gratitude,

Amy Williams

News from Italy

The Chronicles of Narnia opened a few weeks ago in Italy. I wanted to share with you the impact Michael Carlson, (GEM missionary) has seen through his Italian Narnia web site. "We are thrilled that the Narnia frenzy has driven some people to ask valid questions about Jesus and heaven. We've had over 33,000 "hits" on the site in which MOST pages are clearly evangelistic! Several people have written to us personally, half a dozen have requested an evangelistic booklet by mail and others have ordered a free Gospel of John. Not bad for a \$20 website!"

Leaning Tower of Pisa

This building is a great illustration of Italian needs. When you look at the Pisa it is beautiful, interesting to admire. At first glance it is difficult to see what is wrong with this structure. Then you learn that there is a poor foundation. This is also true for Italians. There are many wonderful aspects of the Italian people and culture, interesting to study and admire. Yet, the people do not have a foundation on God or knowledge of the truth of Jesus Christ. Italians need to know Scriptural truth and know they can have a personal relationship with Jesus as their Savior.

When you see a picture of the Pisa I would ask you to say a prayer for Italian youth and the ministry that I am doing to reach them through friendship, church planting and discipleship.
